Reserved for Sue:

Dearest Phil:

Here's a task I hate to undertake. It's sure been a pleasure to go around with you. We have had fun together, haven't we?

Thanks a lot for letting me stay at your house the night of the Acadia skating party. I'm sorry you didn't stay at my house one night.

Whenever you come out our way, if you don't stop in, I'll -- well, I won't say it.

Just now I'm thinking about typing. (What a thought). We sure had had luck in that class. Those typing tests - Wow, I did marvelously, didn't you? (sarcastic).

One of the reasons I hate leaving school is because I hate to leave all your kids. I'll miss you, so you be sure and write often. If I ever come this way, I'll have to drop in.

We did so much this year that I can't even think of one thing to write about.

(This is getting worse, I can't think)

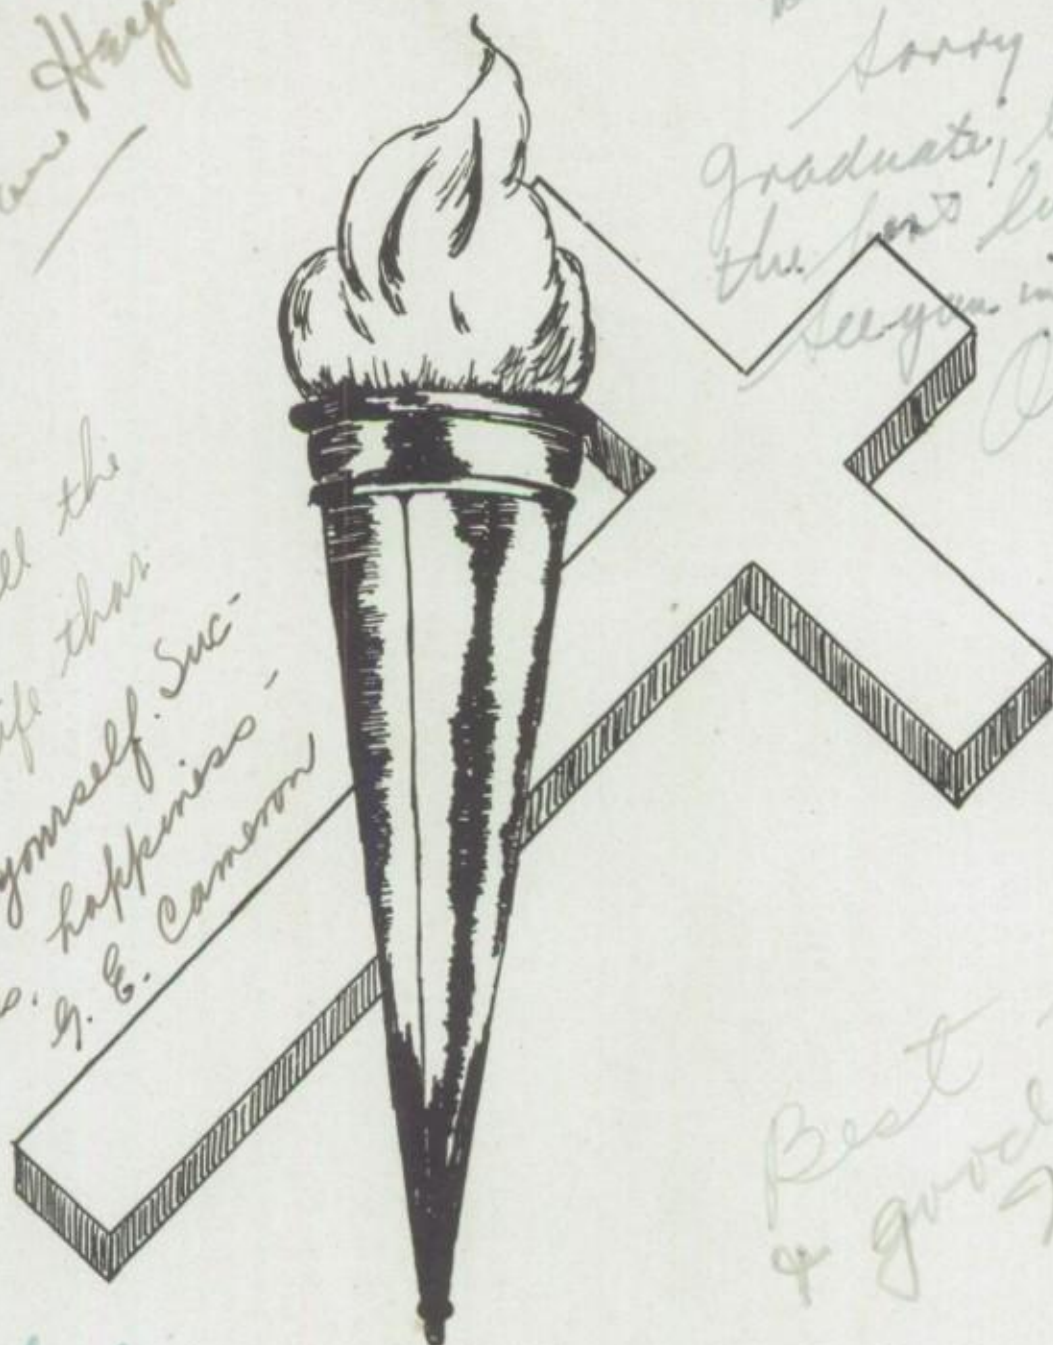

Someday you steal a car and a good-looking chauffeur and come rolling over to my house; but be sure it's a swell car and a good looking guy.

Don't ever forget the friendship we have had, especially this last year. Let's try and have more fun together even though we are out of school. Be sure and write plenty this summer.

Lovingly,
Sue. "Toots"

PRESENTED BY

THE SENIOR CLASS

OF

CHICAGO CHRISTIAN HIGH SCHOOL

FOREWORD

FOR THE THEME OF OUR BOOK we have chosen the Crusades. We seniors have imagined ourselves as chivalrous knights riding forth on a romantic quest. We have tried to picture to you our school life in terms of the life of a Crusader.

Our four years at Christian High represent the first battle in our Crusade of life.

We have acquired many things since we began that battle. Knowledge to help us understand what lies before us, friends to help us fight our battles, and many happy memories to enrich our future.

As we ride forth to meet the world, may we find inspiration in the romanticism of the quest, idealism in the chivalry of the knights, and humility in the faith of the pilgrims.

Dearest Phyl:
I hope you make
out alright in the book
Shorthand exam. I wish
& success to you in all
your future bid, as you
certainly deserve.
Love & kisses
Edith Hoff

Dedication

SINCE THE THEME OF OUR ANNUAL is one of idealism and romanticism, it is appropriate that we should dedicate this book to one who has done so much to inspire us toward these ideals.

Mr. Van Beek has been with this class for four years as instructor of English and literature, more specially as advisor of the seniors and sponsor of the Violet and Maize Staff.

To you, Mr. Van Beek, as a memory of the senior class of 1939 we dedicate this book.

MISS HELEN DEMOODY

*Congratulations and success to
you, Phyllis.*

In Appreciation

To one who has served our school devotedly and efficiently in several capacities. Joyously we have seen her progress in our school from one department of service to another. In each relationship, from that of office secretary to that of teacher, she has been a helpful and inspiring friend to all of us. We admire her professional competence as teacher, and as friend we cherish her wholesome personality.

Dear Phil
 Congratulations &
 Success to a very
 sweet gal.

Graduates of 1939

C. C. H. S. has provided you with a basic Christian education upon which can be built a useful and happy future career. The educational program of each individual was planned in the light of his interests, abilities, needs, and prospects. Thus equipped we send you forth into a wider area of employment or further study. There is a hope and prayer in our hearts, and it is this: that you may long continue to dream the dreams of youth. Unmeasured possibilities for the development of Christian character and the rendering of Christian service are before you. The pressure of the world, however, is toward cynicism and selfishness. But always and everywhere, now and in the far away future, keep alive the glow of Christlikeness. Then your life will be full of the joy, zest, and power that makes life worth living.

Court Officials

Happy, cheerful, helpful, always ready to cooperate with anyone needing their aid. In one word, they are thoroughly efficient.

Both Dorothy Dykman and Margaret Van Dellen are recent graduates of Chicago Christian High School. Mr. Johnson joined the office force in the latter part of February.

The Annual Staff wishes to take this opportunity to thank the entire office force for their cooperation in helping put out this book.

We also wish to express appreciation to our janitors, Mr. Brouwer and Mr. Smith, who have been so untiring in their services to the school in removing doors, fixing locks, and many other miscellaneous tasks.

Our Faculty

"Good morning! We're awfully glad you've come to visit our school. Come right this way.

"Yes, you're right, that's our busy principal. Besides seeing that the school is run properly and smoothing out all of the difficulties that arise, Dr. Wezeman teaches a class in Commercial Law. Isn't he distinguished-looking?

"Take a peek into this room! Oh no, it's never noisy in Mr. Van Beek's classes! If you could hear his lectures on literature, you'd probably understand why. Besides being a tip-top English teacher and a general help to the school, he acts as the sponsor of the senior class and faculty advisor of the Violet and Maize Staff.

"Do you see that tall, dark-haired man standing over there? Well, that's Mr. Homkes, our new shop and algebra teacher. He's already made quite a hit with the students. The tall, red-haired man he's talking to is another of the new teachers, Mr. Boersma. Although he teaches science and English, it seems as though his main hobby is music and we enjoy hearing him sing in chapel.

"Now this is the bookkeeping class, and the business-like teacher is Mr. Lanning. Oh yes, Mr. Lanning also teaches business science and commercial geography. He has been teaching in our school longer than any present teacher, so you see he has a right to look important. But no one appreciates Mr. Lanning quite as much as the Violet and Maize Staff, because they, and they only, know what a hard and willing worker he is. You know, he spends just hours and hours of his valuable time helping and directing the staff in their work. The staff is very grateful to him, and they consider him "tops" as a faculty advisor.

"Oh, no, that isn't a radio, that's our C. C. H. S. orchestra. Come in and see Mr. Loar, our able director. . . . There, now isn't he handsome? And they certainly raise them tall in West Virginia!

"Right down the hall are our two laboratories—and here, the two science teachers. The tall, alert-looking man who has a mustache is Mr. De Vries. He's our physics and mathematics teacher. The other, Mr. Hofstra, teaches biology and zoology—and he really knows his stuff! Then, too, we always enjoy his sense of humor. Both Mr. De Vries and Mr. Hofstra drive the Cicero buses.

"Say, we mustn't forget our foreign language department. Come over here and take a look at Mr. H. Wezeman, who takes care of the German and Latin classes. Just listen to him read down that page! Yes, he's rather modest."

"Oh, and here's another important figure in our school—Mr. Veenstra. Although he's comparatively new, he certainly has made a great many friends.

To the knights in the days of old

To the knights in the days of old,
Keeping watch on the mountain height,
Came a vision of Holy Grail
And a voice through the waiting night:

Follow, follow, follow the gleam;
Banners unfurled o'er all the world;
Follow, follow, follow the gleam
Of the chalice that is the Grail.

And we who would serve the King,
And loyally Him obey,
In the consecrate silence know
That the challenge still holds today.

Follow, follow, follow the gleam;
Standards of worth o'er all the earth;
Follow, follow, follow the gleam
Of the Light that shall lead toward God.

Well, freshies, you are not quite as green now as you were when you started, and we feel sure that by next September the color will have faded entirely.

Although graduation seems a long way off now, you will be surprised how swiftly the time will fly. We hope that your four years at Christian High will be as happy as ours have been, and that when you leave you take with you not only a vast amount of knowledge, but also many happy experiences, true friends, and ambition to meet the future.

Senate

The Senate is the organization through which the students can freely express their wishes and desires to the administration.

It is composed of two representatives, a boy and a girl, from each division room. Their duty is to bring the suggestions and complaints of their division before the Senate and report its decisions back to the student body.

The Senate takes charge of all-school affairs. It strives to foster and improve school activities. Last but not least, it seeks to instill initiative in the minds of the students.

National Honor Society

A new organization in our school is the National Honor Society. Our Chapter, which is named the Christian Chapter, was formed in the fall of 1938 through the efforts of Dr. Weze-man.

Membership is based on scholarship, leadership, service, and character. Candidates must be juniors or seniors, and are eligible for election to the Chapter only if they have a scholarship average of 87 or better.

Our object is to create in all students an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Chicago Christian High School.

Hall Guards

A hall guard system is a necessary part of every school's organization. Our hall guards have set a new record in faithful service. It is the guard's duty to see that every student in the corridors during classes has a permit. This rule has been very effective in preserving a placid atmosphere in the halls.

A hall guard must be dependable and must feel as though he holds a responsible position; for he is responsible, not to himself, but to the school and students. The guard also helps to keep the corridors clean, and directs visitors or those who have business in the building.

Another successful year for the choir! Under Mr. Baar's excellent supervision we have managed to hold up the reputation that choirs before us have built. Although we made a rather shaky start, we believe that our choir now is one that any school would be proud of.

Each member of the choir sings not because he must, but because he gets a thrill out of doing so. This is probably due to Mr. Baar's influence.

Among our concerts we include one given for the Arche Club and one for the Kiwanis Club of Englewood. Another memorable date was that of the Annual Christmas Candlelight Service. In place of the Spring Concert, a Music Festival was given by the entire music department. We believe we are justified in taking exceptional pride in our A Capella choir.

*Heard by you. Indeed you are a
 friend well worth
 knowing. Behave
 yourself, Phil.
 Sincerely,
 Milton.*

Girls' Glee Club

The Girls' Glee Club was organized last year. Starting out with only a few members, it now numbers forty-seven voices.

The group has favored the student body with many musical numbers in Chapel Service. Many of the songs have been familiar old favorites that everyone enjoyed. They have also sung less familiar numbers of a different type.

Plans for a Boys' Glee Club are under way. The two Glee Clubs will then work toward membership in the A Capella choir.

Orchestras

The orchestra has come into its own this year. It united with the rest of the music department in presenting C. C. H. S.'s Music Festival which was a great success.

The success of the orchestra has been largely due to Mr. Loar, who joined our teaching staff in February, 1938. Do we like him? Just ask any member of the band or orchestra and they will play his praises. We salute you, Mr. Loar!

Band

Our band has been very influential in pepping up the school. It has played lively marches for our assemblies and given moral support to the team at basketball games.

Many improvements have been made in both band and orchestra in recent years. New instruments have been purchased and credited classes have taken the place of edged-in rehearsals.

The band is now working for uniforms to make their appearances more colorful. We all hope they may reach their goal in a short time, and then watch them go to town!

"Mamma's Baby Boy" was the talk of the school for weeks before it was produced and weeks after.

We wish to express a vote of thanks to Mrs. Lightenberg, the able directoress of Christian High's productions for the past four years.

"Tempest and Sunshine" went into production under the direction of Miss Margaret Penshorn, a new director to C. C. H. S. but a very competent and efficient one.

The entire play takes place on a plantation in Kentucky and the action centers around the two sisters, Tempest (Ruth Kloese) and Sunshine (Nelliejane Rudenga), their family, and friends.

The play was well attended at its four presentations, and Tempest and Sunshine lived up to the reputation made by its predecessors.

Debate

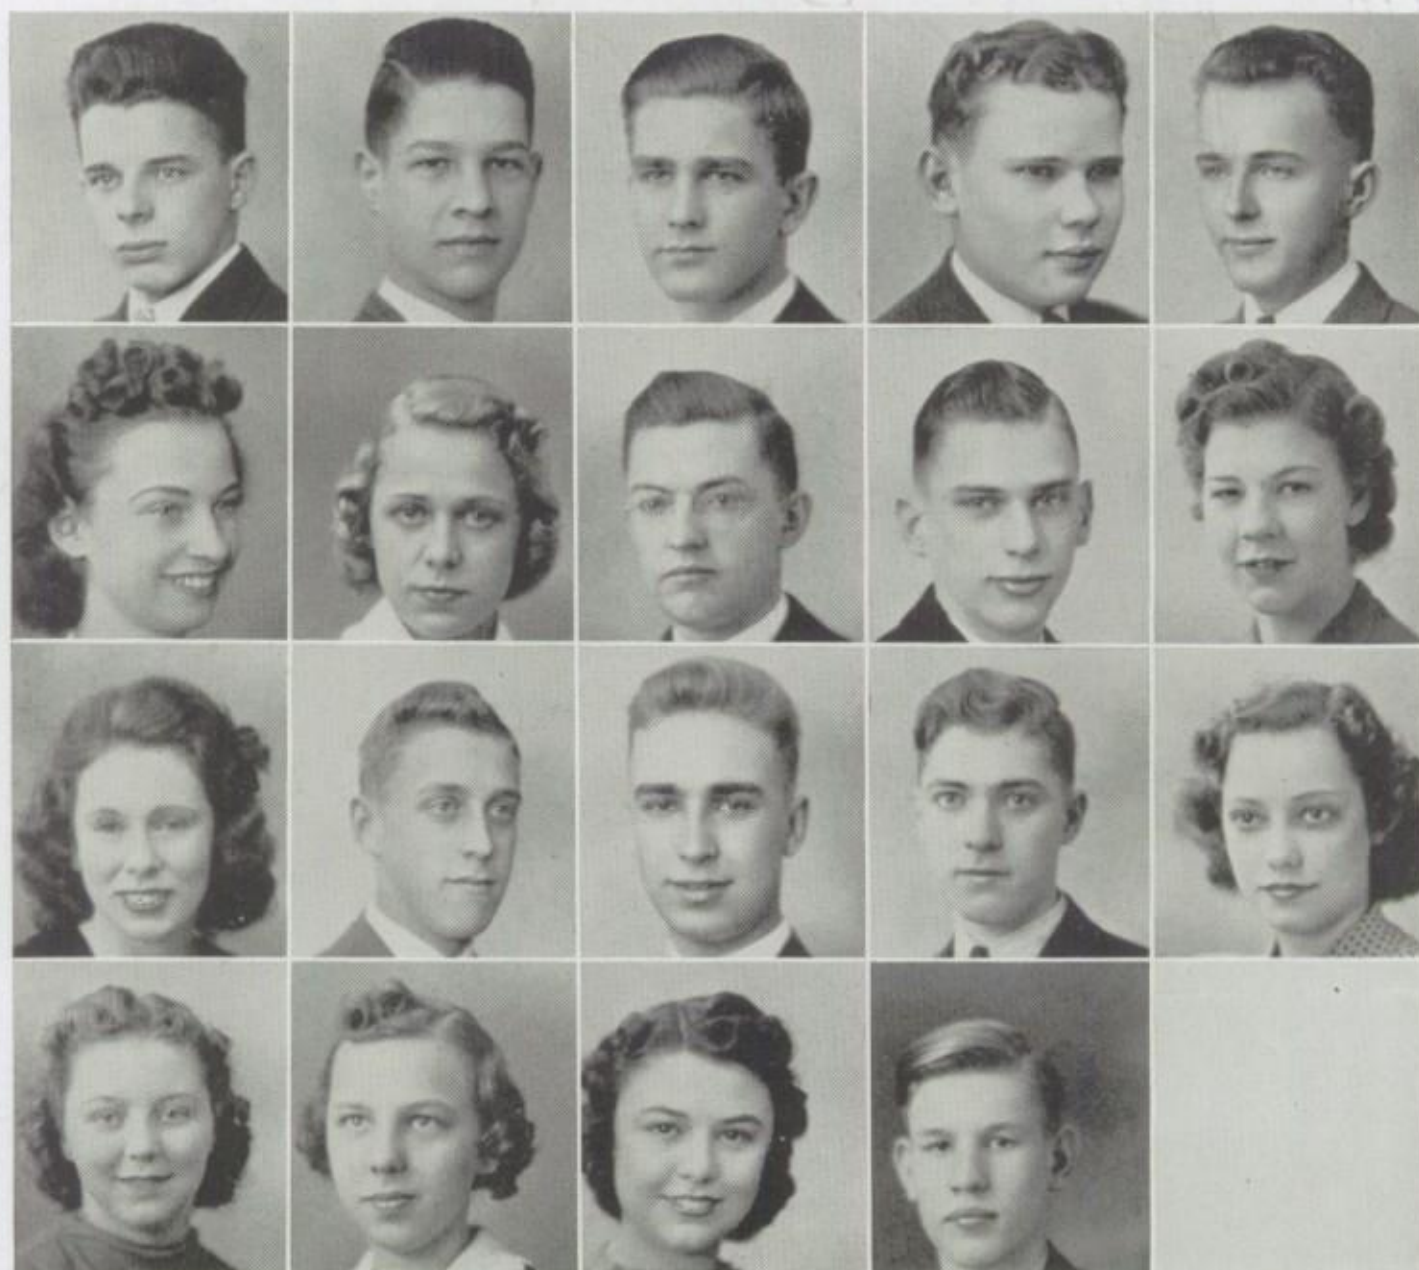

We give much deserved credit to Mr. Veenstra for his efforts in interesting our students in debating. Through his efforts we were admitted into the "Big 16 League" known as the Metropolitan Debate Union. This union includes most of the largest schools in the area around Chicago. The subject for debate this year was, "Resolved: That the U. S. shall form an alliance with Great Britain."

Debating was new to most of our team members, but we feel sure that with the excellent coaching of Mr. Veenstra, they will be far in the next few years and that debating will remain a permanent activity.

Mirror Staff

True to its name, the Mirror reflects the attitude, opinions, and interest of the student body of this school. Students were encouraged to contribute their ideas on those items which they thought would be of interest to others. Thus each issue vividly pictured the scenes of school life.

The small sum of five cents charged for each issue not only covered all operating expenses but left a total of \$65.00 with which the staff was happy to supply much needed improvements in the auditorium.

Violet and Maize Staff

We, the staff of the Violet and Maize of 1939 present to you the result of our sincere efforts and long, not unpleasant hours. Into it have gone some of our past experiences, future hopes, and the happiness of companionship. We have tried to picture for you the scenes and activities in Chicago Christian High School.

The staff wishes to extend their thanks and appreciation to its faculty advisors, Mr. Van Beek and Mr. Lanning, who have given of their time and effort in helping and advising the staff; to Alfred Hanko who, though not a senior, took the position of staff artist, and contributed all of the art work in the book; and to its subscribers and advertisers who have made possible its production.

Activities

All those familiar with Chicago Christian High School are aware that activities are an essential and vital part of life here. They play an important role in building character and in creating a sense of good sportsmanship among the students. Character develops out of the fulfilling of responsibilities. Responsibilities are the result of student participation and student leadership.

Working together as a group and exercising the prerogatives of various offices develops the student's democratic sense of cooperation. Each student works together for the good of the group, rather than for his own well being. Good sportsmanship is the result of continued participation with ones fellow students.

The aims of education, that of character formation, mental discipline, good citizenship, culture, are definite in themselves but there has to be a method of attaining these also. We have found the answer in "activities." They not only teach the aims and continually uphold them but put them into practice by coming in contact with every type of individual.

Thus, within the individual is developed a sense of responsibility for his various duties, a democratic outlook toward the accomplishment of aims. A cooperative spirit in the subjugation of the student is the motive of activities, through the means of group participation.

This year ushered into the annals of C. C. H. S. Basketball a new coach—Mr. Norman Veenstra. It didn't take long for him to get started, and every fellow on the team as well as every girl in the grandstand will testify as to what a grand coach he is.

While the team did not finish first in the league standing, they have done some very praiseworthy work. The whole team showed a spirit of cooperation and good sportsmanship which is typical of the spirit of C. C. H. S. Harvard, the league champions, defeated our boys by only two points, while they out-scored their other opponents 2 to 1. Congratulations, boys, for some good work!

This is the first year Christian High has had a Girls' Volleyball Team which played other schools. The team took third place in the Parochial School Volleyball League. Although half of the girls are seniors, we feel sure their place will be taken by competent players next year, and Christian High will again be able to enter the League.

The Acacia Club was organized in 1934 by a group of girls interested in providing social life and school spirit for the entire school as well as within their own group. This aim has continued throughout the years of the existence of this club.

Fifteen girls are voted in from the junior and senior classes by the former members. It is these girls who have successfully shown themselves as carrying the ideal banner of their school before them—that of building character. Especially has this been proven by the efforts and work put into their many successful activities. Many thanks to Miss De Mooy for her peppy leadership.

If you boys have been looking for an old-fashioned girl, Euphemia Initiation Day would have been your golden opportunity. The up-swept curls were topped with an enormous bow, balanced by several pairs of dangling earrings. They really looked cute!

Any longing you may have had for an ocean voyage was satisfied by Euphemia at the annual Junior and Senior Banquet by the adoption of the nautical theme: "Anchors Aweigh."

This year Euphemia celebrated its tenth anniversary by giving its Alumni Banquet in special honor of the charter members. During its existence, Euphemia has promoted a feeling of unity, friendship, and cooperation between the Junior and Senior girls.

Zephyrs

This group of senior girls have been studying the modern novel under Mr. Van Beek's sponsorship. Some of the novels they have studied are *The Citadel*, *Magnificent Obsession*, and *Madam Curie*.

But don't get the idea that they spend all of their time studying. Definitely not! Outside of club periods they have had a treasure hunt, gone bicycle riding and swimming, and even had an old-fashioned taffy-pull.

Pep Girls

The Pep Girls' Club, composed of twelve senior girls, was established recently to promote school spirit. Successful activities sponsored by this club have been the Rummage Sale and Tag Day.

Mrs. Wezeman, the former sponsor, was an inspiring leader, and the girls wish to take this opportunity to express their appreciation for the whole-hearted interest Mrs. Wezeman has shown toward their welfare. At the beginning of this semester Miss Pippel took over the sponsorship of the club.

Twenty-five bright and shining, up and coming young men compose this organization. Their meetings are held in a most orderly manner and are found to be most enjoyable. A rousing swimming party given by them in February went over with a big "Splash."

In the future they hope to make the school profit by their existence and also make the Fratres (their closest rivals) profit by the Juvenes's guidance.

FRATRES CLUB

The Fratres Club is an organization composed of junior boys. The name *Fratres* is derived from the Latin, meaning "Brothers." The club has as its sponsor that efficient and proficient tutor of sciences, Mr. Oscar Hofstra.

The main purpose and aim of the Fratres Club is to do things both interesting and educational among boys and also to keep C. C. H. S. ahead in every possible way.

SORORES

This peppy group of girls is organized to promote friendship and school activity. Every month these girls gather at one of the member's homes for a social evening. During the winter they treated their boy friends to a toboggan party, which was a huge success. During the Christmas vacation their sponsor, Mrs. Evenhouse, entertained them at her home; and the girls livened up the season with a mistle-toe and holly sale in cooperation with Acacia. It was an event that everyone remembers.

VIRGINES

Virgines Club consists of sixteen junior and senior girls, and has as their sponsor Miss Cameron. The aim of the club is to promote good sportsmanship among the students; and no one will say that these lively girls are not intensely interested in sports. As yet these girls have done no one thing of outstanding importance with the exception of having charge of chapel during the Christmas season, but they have made all on-lookers envious of their youthful vivaciousness.

The purpose of the Camera Club is to promote the knowledge and interest of photography among its members and to take and develop pictures, compare negatives, discuss angles and tricks in picture-making.

Every two weeks the club has interesting slides or moving pictures that teach the various phases of photography.

They have done much toward making C. C. H. S. "picture-conscious" with their frequently heard cry, "Watch the birdie, please!"

Mazelles Club

This lively club consists of about twenty-four girls. It has added much to our school life this past year.

It sponsored a travelogue with Mr. Haboush in chapel, and in March gave a roller skating party at White City Roller Rink.

They are planning many more things including a Cotton Day. Besides adding to the school life they have made contributions to our institution, that is their main purpose.

Delphians

The Delphians Club was organized in the spring of 1938 and consists of eighteen sophomore girls. Our purpose is to become better acquainted with some of the business institutions and industries of Chicagoland, and to learn about the vocational opportunities in a few of these fields. We plan to make trips and to invite leaders in the business world to speak to us.

We are now making preparations for an afternoon to which we are inviting our mothers. This should bring us closer together and create a spirit of friendship and cooperation.

Adelphians Athletic Club

This is a junior girls club consisting of sixteen active girls whose interest is sports.

In order to promote friendship among the various girls clubs of the school and to provide enjoyment for all, they have organized a volleyball team with Jessie Jongsma as captain.

Being a newly-organized club, they have been unable to carry out their plans to the fullest extent but they anticipate great things in the future.

Our Faculty

(Continued from page 19)

Besides teaching English and History, he sponsored the debate team. And of course, you remember the basketball and volleyball teams which he so ably coached! His clothes?—They are nifty, aren't they?

"Would you like to visit our portables? Hurry, it's rather cold. This first one is used by the Bible classes, which are taught by that famed Student of Theology, Mr. Evenhouse. There is Mr. Evenhouse now, bravely struggling through three-hundred Bible test papers. Yes, he'll be a minister some day. In the third portable the art classes meet; and that short, dark-haired man over there is the teacher. His name? Mr. Weidenaar. You'll hear more of him, I'm sure!

"Oh, no, we still have a new more. Do you see those two men talking outside of the office? Very likely they're discussing a coming concert, for they're our music teachers, James Baar and Henry Baar. No, they don't look a bit alike! Mr. J. Baar, the short, curly-haired man is our beloved choir director, and Mr. H. Baar, the tall blond, is the director of the Girls' Glee Club. Then, too, they help make our chapel services more enjoyable by leading and accompanying to hymns. Serious? Oh no, these two have a great sense of humor, but don't look for Mr. H. Baar's on our report cards!

"What? Senior girls? Oh no, those are our only women teachers. The cute little blond is our former office clerk, Miss De Mooy. Now she's teaching shorthand and typing. The tiny, dark-haired one is Miss Schuringa, who teaches English and the histories. Believe me, she's pretty stern for her size, too. The other one is Miss Pippel. This dark-eyed miss is new at Christian High, but she's doing a wonderful job of teaching shorthand and typing. She's pretty, too, isn't she?

"Oh, of course, you can see our office! It's right down the hall. Be very quiet, though, for they're probably busy. The two girls? The tall one with the flashing smile is our librarian and bookkeeper, Margaret Van Dellen. The other one is Dorothy Dykman, our helpful and happy office clerk. Both these girls are recent graduates of C. C. H. S. Now,—take a look at him! Yes, we think he's handsome, too! His name is Mr. Johnsen, and he takes care of all the absences—he can't be bribed, either!

"Oh yes, we certainly do miss the teachers who have left us this year. Mr. Swets, Mr. Mouw, and Mr. Vande Velde were all first-rate teachers, and we regretted very much to see them leave us!

"Do you really have to leave so soon? Come again sometime, won't you? We love to have visitors. Goodbye!!"

Critics: Notice

If this book doesn't suit you;
 If you wouldn't have done the same,
 And the write up isn't true at all,
 It's the seniors,—they're to blame.

If your picture turned out horrid;
 If five ways they've spelled your name,
 And you're just down right disgusted,
 It's the seniors,—they're to blame.

If you get more work than credit;
 And not near enough of fame,
 If they cut out what you wanted most;
 It's the seniors,—they're to blame.

If you think you could do better;
 Found the jokes were pretty lame,
 If the price is simply awful;
 It's the seniors,—they're to blame.

ON MAINTAINING LEADERSHIP ...

- To win and consistently hold a place as the recognized leader of school annual printing, has been the record of Rogers Printing Company since its beginning in 1908.
- That we have, during a period of 31 years, successfully produced hundreds of annuals for schools throughout the country, attests our ability to satisfy completely the most discriminating Year Book Staff.
- New ideas, coupled with the knowledge and experience gained through a quarter of a century's service, insure the school that chooses a Rogers printed book of ideal pages "From Start to Finish."
- We are proud that the staff of VIOLET & MAIZE entrusted its printing to our organization and we herewith present it as an example of our work.
